

Mission Statement

Pearl Harbor Christian Academy Preschool is committed to God and serving the children and families in our school. By working in partnership with our parents, we will provide an ongoing, biblically based education and enriching curriculum to enable children to develop a love for and sense of security in Jesus Christ, respect for others, respect for themselves, independence, self-control, confidence, as well as cognitive, physical, emotional, and social development.

Philosophy of Christian Education

We believe that parents hold the primary responsibility of educating their children with supporting scripture references from Deuteronomy 6:7 and Ephesians 6:4. As a school and staff, we are dedicated to assist parents with the commitment they have to their children's education. Success in school must also be dependent on instruction and involvement at home.

The Bible is the authoritative Word of God (2 Tim. 3:16-17). Students are taught to accept scriptures as God's truths (facts) and to understand and apply them in their lives. Students are presented with the Gospel message, their need for a personal relationship with and salvation through Jesus Christ, given the opportunity to accept Christ as their Savior, and nurtured to grow in the grace and knowledge of our Lord and Savior Jesus Christ. Each child's spiritual guidance is further enhanced as they observe the Christian role models of our staff, as well as parents' commitment to Jesus Christ and their Godly example (Titus 2:7).

We believe that as each child approaches any activity in life they are intellectually and actively

processing information. Therefore, we will be providing an enriching program and environment that will allow each child to continue on in a life long learning process. In order to provide the most challenging, comprehensive and factual information, all lessons will be taught in line with biblical truths.

Program Goals

Students are presented with a high standard of learning with lessons integrated with biblical principles and that all truth comes from God's Word. They will:

- Be introduced to know and love Jesus Christ as their personal Lord and Savior
- Be able to relate to others in a social setting
- Develop creativity
- Develop large and small muscle skills
- Develop a sense of themselves and others
- Develop communication skills
- Develop life long learning skills that prepares them to be successful in their future education
