

PHCA Employee Qualifications

At Pearl Harbor Christian Academy (PHCA) we look for those who meet the following criteria:

Qualified: First and foremost, all staff must have a clear testimony of their salvation and faith in Jesus Christ. Applicants must also demonstrate regular fellowship at Calvary Chapel Pearl Harbor (CCPH) or within a church body that is doctrinally in-line with and approved by CCPH. For faculty positions, applicants should have the desired experience and be able to obtain ACSI certification in Early Education, Teaching, or Administration as applicable.

Servant: We want those who desire to be here as a ministry. It is not just a job. We know there are definitely better paying jobs available, which may offer more benefits, and fewer hours. Those who have committed to be at PHCA are convinced that this is where God wants them to serve and we are looking for co-laborers who feel the same way.

Professional: Applicants who fill out their applications hurriedly, sloppily, incompletely, with misspelled words or poor grammar will not be given serious consideration; and should reconsider whether or not to apply at PHCA.

Motivated: We want individuals who are driven by a love for Jesus Christ, a love for learning, a love for children and are motivated to help our students succeed, both academically and in their relationship with Jesus Christ.

Called of God: Being a true ministry, we desire our employees to have a clear calling and testimony of what led them and how the Lord opened the door to apply at PHCA.

After reading the preceding section, if you feel that the Lord is leading you to do so, please submit your resume with a PHCA employment application and return it to our school office. We will be happy to consider the possibility of your ministering here.

By signing below, I acknowledge I have read the above section and have sincerely prayed about submitting my application to minister at PHCA.
