PHCA promotes and integrates technology and Internet use into its educational program. As technology advances, we will need your partnership to ensure the safety and well being of your child. Technology is a valuable tool if used properly and responsibly. A PHCA domain email account is issued to 3rd-8th students for educational purposes and Distance Learning using online platforms like Zoom, Google Classroom, BrainPOP, Kahoot, etc. This account will allow your child to receive, collaborate and submit assignments through various websites and applications. Our goal is to teach your children the skills that will be needed as they advance in school and into their future careers. By signing below, I acknowledge I have read and understand that:

- I must read the Student Internet Acceptable Use Policy (rev. 3/2020) on the PHCA website.
- My child, _____, will be using the Internet according to the Student Internet Acceptable Use Policy (AUP) and using their PHCA email account to join/login to various websites & applications for necessary educational purposes as well as for Distance Learning using online platforms as mentioned above. - PHCA's domain is school-managed. "Forgot Email Password" must be manually reset by the system administrator. **There will be a reset fee if needed more than three times.**
- I hereby release Techno Kids & Pearl Harbor Christian Academy, its personnel, and any institutions with which it is affiliated, from any and all claims and damages of any nature arising from my child's use of, or inability to use, the Internet, including, but not limited to claims that may arise from the unauthorized use for any unauthorized purchases.
