

Student ZOOM Account Setup

You will need your student google account information to setup ZOOM.
You will want to set up ZOOM on the device your child will use for school.

Step 1 Please go to www.zoom.com

Step 2 In the upper right corner you will select the Blue button "SIGN UP, IT'S FREE"

SIGN UP, IT'S FREE

Step 3 Select "Sign in with Google" (located towards the bottom half of the screen)

Step 4 Select your student's account *****this MUST be your child's account
xxxxxxx@phcaschools.org. Teacher's will not be able to add your child to class
if you use a regular Gmail account.***

Step 5 Select create account

Step 6 Go to your child's PHCA email account and confirm the account. You should see an email from ZOOM in the Inbox.

Here is a link to a short YouTube video with instructions: https://youtu.be/_LKW9-ajdos
